

THE DRAGON'S HOUSE (Free Verse)

Inside the dragon's house,
Gold piles up high,
A fire burns bright,
Warming the big cave.
The dragon sleeps on soft moss,
Breathing out smoke,
Books are stacked high,
Full of old stories.
The dragon's house is quiet,
Filled with secrets and dreams.

AUTUMN (Acrostic)

A utumn is my favourite season
U nder the ground, animals sleep

U p in the air they fly
M y favourite day is Halloween
N ights as dark as a bat's wing.

MY WASHING CAME ALIVE! (Rhyme)

There were piles upon piles, my gosh there was lots!
Something surprising jumped out of the pile,
It was Dad's pants, they made me jump a mile,
They looked right at me and started to giggle,
They danced, pranced, then ran off and gave me a wiggle,
I chased and chased Dad's pants through the streets,
It went on and on for several weeks,
When all was finished, when all was done,
Dad's pants returned and are now safe on his bum!

MY CAT (Sense Poem)

My cat looks like a black and white cow,
My cat sounds like a loud miaow,
My cat feels like a soft teddy bear,
My cat tastes like furry cat hair,
My cat smells like the deep, dark wood,
She makes me feel ever so good.

WONDER VERSE

POEM EXAMPLES

WHAT IS IT? (Riddle)

It's as big as an elephant,
It's as scary as a dinosaur,
It's as dangerous as a bear,
It's as endangered as a white rhino,
It's as amazing as a science museum,
It's a Komodo dragon.
