Werewolf Of The Night

Werewolf of the night
Every night, always howling at the moon
Run for your life!
Everyone knows its howl
Waiting for its prey
Oh no, here it comes!
Leaping out of the trees
Full moon on Halloween.

Dragons

Dragons
Roar loudly
Always fly
Green spikes
Orange eyes
Noses that breathe fire
Scary and fierce

Shooting stars
Planets everywhere
Aliens live here
Colourful sky
Earth.
