

EVERY TIME I LOOKED AWAY, IT MOVED CLOSER...

What is moving? Is the object haunted or possessed, is it telekinisis, or can it already move by itself? What does it want? What happens if it reaches you? Is there a way to stop it?

FROM THE SHADOWS, A VOICE CALLED MY NAME...

Where are you? Who or what is calling your name? What do they want? Do you follow the voice? What happens if you ignore it? Does the voice have good or bad intentions?

THAT DOOR WASN'T THERE YESTERDAY...

Do they try to open the door? Where does it lead? Why has it appeared? Can everyone see it? If they go through, can they get back? Does anything come through the door?

SOMETHING HOVERED IN THE SKY...

What does it look like? Who has spotted it? Is it a drone, a UFO, or a creature? Does it attack or try to make friends? Who or what is controlling it? How do people react to it?

THEY SAID I'D BE SAFE HERE...

Where are they? Why do they need to be kept safe? What are they hiding from? Were they told the truth? Are they alone or with other people? Are they the danger? Do they get found?

THE EXPERIMENT WAS A FAILURE...

Who was running the experiment? What were they trying to do? How did it go wrong? What are the results? Was a virus, monster or unexpected side effect created? Who is affected?

INSTEAD OF BLOOD, THERE WERE WIRES...

Who has been injured? Why do they have wires? Are they a robot? Who is controlling them? What is their purpose? Is it an experiment? Is anyone else a robot?

MY NAME WAS ON THE MISSING PERSONS LIST...

Who reported you missing? Who else is on the list? Is it a case of mistaken identity o a clone? Did you run away? Are you trying to return home?
